Dear Sir,

My name is Maylon Clancy and I am currently living at Peoples Temple Agricultural Mission in Guyana, S.A. I recently Recieved a letter from my aunt, [redacted] in which your name was mentioned and it may be of interest to you. (copy enclosed.)

I wish to state that I am 23 yrs. old I have been married for the past 4 yrs. and I would greatly appreciate it if my aunt would stop attempting to interfere with my personal life. This letter is an example of the same type of harassment that has been aimed toward Jim Jones and Peoples Temple in recent months.

I previously lived in Ukiah, Ca. USA and worked there at the Ukiah Health Dept. as a Community Health Aide for 3 years. I have found great fulfill-

ment here at our Agricultural Mission and I have no intentions of leaving here in the near future.

Thankyou for your time and attention.

Sincerely
Maylon C. Clancy

Dear Mary Lou -

How are you? I hope you found everything o.k. when you arrived. Our chief concern is your safety, so I can assure you that we are watching every minute and your Uncle Joe has his attorney also in the act. Many reporters, Dallas and many people here are also very interested. You see, Omaha absolutely floored when they read the papers. That is not my concern - your safety is!

It would be to Jimmy Jones advantage to send Mary Lou Clancy home.

Take care -

Love from

K
